PHOTOGRAPHY EXPEDITIONS & EXPERIENCES

GUIDED PHOTO EXPEDITIONS

We offer unique Photo Tours and Expeditions & each of these itineraries are planned for exciting photography and authentic insights at a comfortable pace allowing our photography director arrange privileged access and specially negotiated photographic opportunities any tourist will otherwise miss !!

We accommodate photographers with various levels of experience as our Photo Tours are designed to travel unobtrusively, stay in safe & secure accommodations enjoying genuine contact with the places & communities we offer to photograph...

We teach everything from camera handling to visualizing through the lens, capturing the decisive moment, composition, perspective & much more...

Our Photo Expeditions & Photo Tours offer laid-back, thought provoking & often jaw dropping photography experiences as we seek out visual opportunities and cultural encounters most visiting tourists just never get to see.... Quaint lanes, old houses, temples, mosques, forts, palaces, spices, smells, busy streets, bazaars, vendors and most important - People & their Lives.
